

Link-Stride

Security Systems Ltd.

.... The Security you need, the Safety you Deserve

ABOUT US

Link-Stride Security Systems Ltd was established on the 07th of March 2000 with the sole aim of providing top quality security and safety engineering standard in Nigeria; with special emphasis in ASSET Protection, CRIME Anticipation, Prevention and Control.

With our over 20 years working experience in the security and safety industry in Nigeria; we have over the years; maximized our trade and partnership relationship with a wide range of top security and safety equipment manufacturer's world-wide; in our efforts and commitments to addressing our clients 21st century security and safety challenges at pocket friendly price with money back guarantees.

Our customers can testify to the quality of our products, the durability of our installations, the reasonableness of our prices, the neatness of our installations, our technical know-how and professional service delivery.

VISION STATEMENT

To be the preferred security and safety engineering company in Nigeria, based on our merit and professionalism.

MISSION STATEMENT

To advance the standard and culture of dependable, reliable and durable security and safety solutions in Nigeria and its environs.

CORE VALUES

At Link-Stride Security Systems Limited, the following principles guide and drive our Interactions and engagements:

Teamwork: We see every employee as a stakeholder in the business, treating them with respect, purpose, accomplishment, responsibility, knowledge, fairness, openness, and trust, with rewards for creativity and excellence. We work as a team, depending on each other with committed and passionate "STRIDES" to "GREATNESS".

Integrity: We conduct our business with integrity and honesty by the highest industry standard to translate product knowledge into actions, actions into routine, routines into habit, and habit eventually becomes the nature in which we provide quality service to our customers.

Creativity and Innovation: We are open to new, better, and creative ways to serve our clients giving them the best experience per time. Our processes are based on openness and feedback, setting the best interest of our customers as our priority.

Corporate Social Responsibility: We interact with our community by positively impacting with enhanced benefits from our services as it relates to the immediate and future needs and development.

Please, feel free to visit our show-room or contact any of our sales team via: +234-8149906641 or +01-4536310 for a "FREE" Risk assessment inspection visit, consultancy or DEMO presentation of any of our security and safety devices at your earliest convenience.

'LINKSTRIDE - PEOPLE, PROCESS, PRODUCTS the security you need, the safety you deserve

OUR PRODUCTS

ACCESS CONTROL & PEOPLE SCREENING SYSTEMS:

- Biometric Access control System – Time & Attendance
- Stand-Alone & PC-Based Access control systems
- Automatic Vehicle Barrier systems – Spike barriers, BOLLARDS
- Turnstiles – Full height and waist height systems
- Swing gate barrier Systems - Full Height and waist Height Systems with fiber glass
- Revolving Doors - Automatic /manual revolving door
- TRIPOD System - Heavy duty Waist& Full height (Stainless steel or Galvanized)
- WALK-THRU metal detectors – Hand-Held Scanners, Portable Hand-Held explosives trace detectors and Vehicle search mirrors etc
- Fixed & Mobile Under Vehicle surveillance systems (UVSS) – Search Mirrors etc
- Automatic Vehicle Identification systems Vehicle Parking and Ticketing Systems
- MAN-TRAP Automatic Access doors – Single & Dual lanes etc
- Security & Fire Safety Doors

CCTV SURVEILLANCE SYSTEMS:

- PTZ (Pan, Tilt & Zoom) IP Network cameras & Digital analogue cameras
- Hybrid Digital Video recorders (DVR) – 4ch,8ch,16ch & 32ch Simplex, Duplex and
- Triplex multiple channel DVR with In-built CD/DVD –WR
- SPY cameras and Accessories

SECURITY EQUIPMENTS:

- Burglary alarm systems- Hard-wired/ Wireless
- Videofied wireless video alarm verification system
- Capricorn FBI (Fire & Burglary Alarm) Instruments
- TITAN-B2 Anti-Robbery device with pepper gas canister and accessories
- Vehicle tracking device – Geo Boundary, GPS satellite tracking device, Door –
- Timer and Fleet Management systems

SAFETY EQUIPMENTS:

- Addressable & Conventional Fire Alarm Systems
- Fire Extinguishers – All class types and Fire safety devices
- FM-200 Automatic Fire Suppression systems
- Fire Hose reel , Fire Cabinets and accessories
- Fire Pumps and accessories
- Fire Escape ladders and accessories
- Fire trucks ,Pumps and accessories
- Emergency warning& safety signs etc

ELECTRIC PERIMETER PROTECTION SYSTEM (EPPS):

- Photo-Electric Beam detectors and accessories
- Electric fence perimeter protection systems
- American Fence barb wires / mesh protection systems
- PIR (Motion Infra-Red) electrical lighting systems and Alarm

TELECOMMUNICATION EQUIPMENTS:

Service Beyond Passion

.... The Security you need, the Safety you Deserve

SALES, SUPPLY, INSTALLATION & MAINTENANCE

- **ANTI-ROBBERY ALARM SYSTEMS:**
Titan-B2 Multi functional Pepper Spray Anti-robbery/Burglary Alarm system etc
- **ACCESS CONTROL SYSTEMS :**
Stand –alone, PC-based Biometric Access control systems, Man-Trap doors, Turnstiles, Swing gate barriers, Revolving gates, Vehicle barrier systems etc
- **TIME & ATTENDANCE/BIOMETRIC ACCESS CONTROL:**
PC-Based / Web-based – Access control and monitoring device etc
- **HOTEL LOCKS & KEYS:**
Access Cards and Energy saving Switches etc
- **FIRE SAFETY:**
Addressable / Analogue Fire Alarm Systems & accessories
- **FIRE PREVENTION SERVICE:**
Industrial Fire hydrant, Hose reel, FM-200 Fire Suppression System, Fire Extinguishers, Fire trucks etc
- **FIRE EXTINGUISHERS:**
All class types and Fire safety devices
- **CCTV SURVEILLANCE SERVICE:**
High profile CCTV surveillance cameras with Digital Video Recording solution– PTZ/ Fixed IP and analogue digital cameras etc.
- **AUTOMATED BARRIERS SYSTEMS:**
Automated MAN-Trap doors, Vehicle barrier system - Spike barriers, UVSS (Under vehicle Surveillance systems) etc
- **PEOPLE SCREENING DEVICES - METAL & EXPLOSIVE DETECTORS, WALK-THRU metal detectors, HAND-HELD Metal detectors, LUGGAGE scanners etc.**
- **PERIMETER FENCE PROTECTION SYSTEM:**
Electric Perimeter /Mesh fence systems etc
- **GLASS PROTECTION SERVICE:**
Bullet resistance films for Glass, Doors, Windows protection etc
- **SECURITY & SAFETY DOORS:**
Bullet Resistance Doors, Fire Escape Doors & Man - Trap Security Booths Etc

ANTI-ROBBERY BURGLARY ALARM SYSTEMS & ACCESSORIES:

The surprise element in crime (burglary, arson, sabotage, bombing, etc) gives criminals unfair advantage. We install a variety of Intruder Alarm Systems comprising Magnetic Contacts, Motion/Vibration Detectors, Pressure Mats, Passive Infra-Red, Sounders, Personal attack Buttons designed and configured via its: Detection, Recognition and Reaction sub-systems to automatically signal the police or security patrol team via any 3 party GSM Auto-Dialler to contact multiple pre-programmed telephone numbers and "alarm condition".

FOG/PEPPER SPRAY IN ACTION
"Burglars / Robbers "cant steal what they can't see"

Motion Detectors (PIR)

Strobe Light /Output Siren

Motion Sensor (PIR)

Voice/Auto Dailer

Remote Key-pad Arm/
Dis-arm switch

Panic Buttons

Photo-Electric Beam

HOW IT WORKS:

At the detection of human violation of protected area via installed detector sensors; a very aloud alarm/siren is triggered immediately to dis-orient the intruders and simultaneously, transmit the stored and pre-recorded distress message via text or voice calls to the nearest police station or security patrol and if ignored; pepper gas is automatically discharged.
